Hi Dr Shantanu,

Thanks for your time and I appreciate your patience as we're working to address your concerns. First off, it looks like the email address you used to reach out to us is not tied with any active Stripe account. Confirming the previous communication of my colleague with regard to borrowing money from Stripe, each account is automatically reviewed on a regular basis for eligibility. We determine offer eligibility using a combination of factors, including overall processing volume and history on Stripe with at least 6 months of processing history. Interested borrowers do not need to contact us to review their eligibility and if we determine that your active Stripe account is eligible for financing, we will email you right away.

Now, we would love to properly address your query and the statement that you mentioned Paypal and Stripe. Can you confirm what you are trying to achieve?

You also confirmed that you are reaching out with regard to a Stripe account. Can you confirm what account ID you are referring to? It starts with "acct\_".

I'll be on the lookout for your response.

Kind regards,

Ella

I will send you the details.

Right now I am ascertaining the legality of the Dubai Venture to determine if it is a Scam/Phishing.

Otherwise all other systems are functioning well: see attached: GETTING DOWN TO IT-digital

Hi Dr Shantanu,

Thanks for reaching out. We appreciate your continued support of Stripe as you are considering applying for our loan service. Allow me to share some directions to help.

For context, we determine offer eligibility using a combination of factors, including overall processing volume and history on Stripe. Eligible UK businesses with at least 6 months of processing history may receive an email and Dashboard notification if they have an offer available.

Accounts are automatically reviewed on a regular basis for eligibility, and we will reach out via your Stripe dashboard and email once your business is qualified for an offer. Interested borrowers do not need to contact us to request for their account to be reviewed for eligibility.

In the meantime, we may need to check account-specific information for accuracy and security. This means we may need validated access to the Stripe account that the loan is for. We want to help you find your Stripe account, and we would really appreciate if you send us the following information:

- Email address
- URL
- Business name
- Company representative's name

Sending this information will help us understand how you should be able to access your account. In case we need you to check specific details from your Stripe account, you may need to get back in touch using the correct account as we won't have access to any details.

I'm looking forward to hearing from you soon.

Kind regards,

Lio

Dear Stripe,

1. From an overnight review I am interested in progressing forwards In the diverse interests contained within the portfolio of The Conservative Libertarian Publications Limited especially through the two Membership Accounts at JOIN IT and BRILLIANT DIRECTORIES, as follows, but do accept that this has had to progress through a slow and steady approach by the understanding of the unwritten Constitution of the United Kingdom and continued in an evolutionary manner to assuage the feelings of all the parties involved.

2. The four areas where progress should acquire prominence are:

(a) registering the TCLP-UK political Party with the Electoral Commission as soon as Mr Ayman Faizer (faizerr41@gmail.com) can reply to me on my communication of 16 June 2025 to confirm that he is willing to act as the Campaigns Official for the Party on the arrangements that I have specified to him (if you need to see the correspondence I am able to dig it out for you).

(b) The Conservative Libertarian Publications Limited is proceeding with an arrangement with Tik-Tok that invited the Company to link up my Book shop at <https://theallurementofrealityinreview.com/shop> to its Tik-Tok Shop: I have agreed to this scheme for it will get my books through to worldwide circulation. Having said that there would appear to be some teething problems this morning with this arrangement:

image.png

As you are aware from my previous publications, there is no money in truth, but an army marches on its stomach so I must try and make the most of publications from being able to sell my 423 eBooks worldwide from the Tik-Tok platform. The preliminary signs are not encouraging: see this notification

image.png

All the materials have been in the public domain for some considerable time ( <https://archive.org/details/@panigrahi491>) so Tik-Tok should make the Shop functional immediately

(c) At a philanthropic level, I wish to develop the concept of 'The Conservative Libertarian Society as a spiritual undertaking with uncompromising reverence to God through karma in sanatan dharma to unite all of humanity under a single umbrella: you will recall that I wrote that we need to break down existing barriers in different sectors of humanity not create new ones.

(d) I have always stated that humanity should evolve, and God willing, I wish to accede to the invitation from 'Incorporate Your Dubai Business with a Visa Free for Life Inbox

Amit Dhrona <amit@rfz.ae> Tue 17 Jun, 22:05 (9 hours ago), to open an office in Dubai to implement <https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>; for which I would require a loan from Stripe Bank of £250,000 initially.

3. These are the considerations of the Company this morning, and I look forward to your assessment as to its viability in total or in part, and if so which part.

Yours sincerely

Dr Shantanu Panigrahi

Dear Stripe

Yes, it is. You will recall all the issues that kept cropping up when the first of the Membership Accounts at JOIN IT in order to ascertain if there was a systematic State Sabotage of this and later the BRILLIANT DIRECTORIES Accounts such that with the reluctance of the Court at the Supreme Court level to intervene PROGRESS IN THE ESTABLISHMENT OF A CONSTITUTIONAL CULTURAL REPUBLICAN PARTY IN THE UNITED KINGDOM came to an end. All I do now is to use my two Membership Accounts socially for religious works that Stripe agreed to as a Freelance Consultant developing contacts globally through the publicity of:

Yes, I am still interested.

I am in the process of deciphering Status Quo at present (Ref ToPaulTiwana(Automatic replyProceedings at the Supreme Court)16June 2016 but have had some good news from the Electoral Commission which has reopened the TCLP-UK Registration PEF Online connection. How To Tell If Someone Blocked You On Instagram

<https://www.theconservativelibertariansociety.com/group/general-discussion/discussion/d9685947-8c26-4f5e-b392-b348f5431af4>

If you've suspected that someone has blocked you on Instagram, then obviously you must be curious to know How To Tell If Someone Blocked You On Instagram. However, there are plenty of ways to identify it.

If someone has blocked you, then their profile will be unsearchable. On the other hand, their post might not be visible, and the message which you sent to them is not delivered.

These are the proven ways which can help you identify if you are really blocked by someone on Instagram or not.

On the other hand, if you are still in trouble, knowing it, then you can opt for various other ways to identify it. Try using another account, and by accessing that, you can search for the username. If you found that, it means you are completely blocked from that account. You can click the link provided above to know more.

Subscription Fees for posting in the websites of TCLP Limited

All posters in this and other websites belonging to The Conservative Libertarian Publications Limited are required to pay an annual subscription of £7 as Members of Conservative Libertarians (UK). This is because I run my show on a shoestring budget and so need to find money to maintain these websites as part of my philanthropy for mankind. I do not wish to edit anything submitted for consideration so as to have a facility that promotes discussion that would benefit us all.

So before you post, ask yourself: have you paid the subscription Fee for posting privileges here:

<https://app.joinit.com/o/conservative-libertarians/>

The websites relating to this stipulation are detailed here:

The affordability of education at Al Noor Online school in UAE 🇦🇪 makes it a preferred choice for many families. Despite offering world-class education, the school keeps its fee structure budget-friendly. 📊❤️

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung.

I am now in a position to address your questions in the email accordingly.

I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faisier again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (without prejudice).

As much as I would want to disagree , from a financial view point I have to agree as through the scheme of private enterprise over state control would allow a focus and a possibility of innovation within assets allowing to protect them and potentially create a secure future for financial success.

Someone has to look after the government of the country and we are organising to achieve that end: For your formal interest and information I am into politics in a very serious way through the Conservative Libertarian Party of the United Kingdom (TCLP-UK).

TCLP-UK's Constitution promotes moral politics within a cultural republicanism for which our Membership website to register in is at:

I can understand your strong political views and how you view the government should be policed and taken care of however in my current position if your suggesting that me following these views can better my financial position in life and the help of your party can lead me to strong success I would reconsider my opinion on the matter

Digital marketing is the practice of promoting products or services using digital channels such as websites, social media, email, and search engines. It has become essential for businesses in today's internet-driven world.

Unlike traditional marketing, digital marketing allows for real-time engagement, targeted advertising, and measurable results. Common strategies include search engine optimization (SEO), content marketing, pay-per-click (PPC) ads, and social media promotion.

With more people spending time online, digital marketing helps businesses reach wider audiences, build stronger customer relationships, and grow efficiently in the digital age.

MAKING IT UP AS ONE GOES ALONG

[Edited: 15.31 pm (UK-Time), 14 June 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of *satya-advaita yoga*, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years in particular but which derives from my Hindu upbringing in India. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 421 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality' available here ( <https://www.theallurementofrealityinreview.com/shop> ). But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words *Samadhi* and *Maha-Samadhi*. I wish to make it clear at this point in time. For me *Samadhi* seemingly started on completion of my Book *Truth-accommodation (Satya-advaita)* and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but

it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of Self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

Maha Samadhi is total Realisation when one does stop one's karma in sanatan dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga. It is the state of Living freely in total Realisation and Control so that one is making decisive acts instantly with spontaneity, nonchalance and unpremeditation without any thought of moving along a certain truth path. So there are no tactics, such is the state of Realisation as automaticity existence.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

I am in Maha-Samadhi now.

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung.

I am now in a position to address your questions in the email accordingly.

I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faizer again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (withoug prejudice).

Out of the blue I have received this obnoxious email at 22.40 pm hours this evening that is not just highly deceitful and manipulative but smacks of a resumption of the Sabotage of my Company The Conservative Libertarian Publications Limited with its two Membership Websites Accounts at JOIN IT and BRILLIANT DIRECTORIES.

Hence the demand for £1 billion for damages and compensation in total from the identified institutions and persons in the Particulars attached: Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police23May2025.pdf cannot be dismissed by the Court without the Full Written Reasons for such a decision being disclosed to me as the Claimant.

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung.

I am now in a position to address your questions in the email accordingly.

I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faier again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (withoug prejudice).

These are the two Membership Accounts that I hold with Stripe Bank and the shantanupanigrahi@yahoo.com (from which I am writing this email) is associated with the JOIN It Account whereas the shantanupanigrahi@aol.com is associated with the BRILLIANT DIRECTORIES Account

I trust the above resume addresses your issues adequately but if there is anything else that I can assist Stripe Bank with, please do not hesitate to write back.

Dear Sir/Madam

Before the day progresses, please consider the contents of the development of The Conservative Libertarian Publications Limited which as I have said evolves on the basis of the day to day revelations of the unwritten Constitution of the United Kingdom, so must be checked on a daily basis from the State authorities, and this would be Medway County Court in my Case: Dealing with Website Notifications for TCLP Limited.pdf.

I trust that the Court will find that I have on behalf of the Company as its Director acted lawfully at all times.

It is encouraging to see the efforts of people around the world aligning to protect the planet. More and more students who are balancing school-work and sustainability now tend to do assignment online in UAE because it gives them extra time for environmental initiatives and important contributions to nature conservation.

Absolutely agree! As someone who guides others in aligning both their spiritual and mental paths, I see games like Aviator on Khel Raja as more than just entertainment. It's all about intuition, timing, and trusting your inner voice. The way the tension builds—it really mirrors how we face decisions in life. Just like picking the right sub des tages you need to go with what feels right in the moment. Love how smooth and fair the platform is too.

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung. I am now in a position to address your questions in the email accordingly. I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faiser again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (withoug prejudice).

These are the two Membership Accounts that I hold with Stripe Bank and the shantanupanigrahi@yahoo.com (from which I am writing this email) is associated with the JOIN It Account whereas the shantanupanigrahi@aol.com is associated with the BRILLIANT DIRECTORIES Account

I trust the above resume addresses your issues adquately but if there is anything else that I can assist Stripe Bank with, please do not hesitate to write back.

What next after yoga

<https://www.thenewclimateformankind.com/group/religion-and-philosophy/discussion/c9b239d3-8513-4306-95a8-ae0689d8849c>

I was in the process of considering that this yoga cannot be a life-long exercise for it takes up so much of one's time and energy, and at its most intense I was engaged in karma in sanatana dharma for 16 hours of day.

So I was even then looking for a way out of yoga, and in fact the idea that it is not normal had occurred to me several years ago.

Today I know what is next after yoga. I am talking specifically about yoga of the mind for which I had coined the term satya-advaita yoga or the yoga of one-ness with truth. It was the process of seeking the truth through truth accommodation. It went on with me for 27 years.

I wrote there is no money in truth. so it also had to be abandoned from this point of view. For the belly needs food, the body needs shelter and we need holidays all of which cost money.

In other words one cannot just continue to seek the truth, and in my case I was satiated with truth this morning.

I had to look after dharma now to earn money and maintain my family.

With truth search one had cast aside one's attachments in order to discover one's truth path determine where it was leading to. I discovered that God is truly real and easy to find through the methodology that I adopted.

This truth search is over: the purpose of life is now to changing.

So after yoga, one reverts to dharma.

### Comments:

So at the 12.46 pm checks the Company is verified still and the two Membership Accounts are validated for a business as usual modus operandi. This is quite obviously the decision of the Supreme Court of the United Kingdom conveyed to me by the Phone ringing from a Spam Caller dialling from 020 4539 4121 at 12.24 pm.

**Miscellaneous terrorism from Satan-evil persecutors**

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/miscellaneous-terrorism-from-satan-evil-persecutors>

On this Saturday 12 April 2025, at 11.18 am, my Mobile Phone rang from a Spam Caller dialling from 07487 291380.

-----

On Tuesday 15 April 2025 at 18.15 pm, the Landline Phone rang. This followed a deliberate insertion of a connection at LinkedIn by the name of Abbi Roberts by the persecutors to terrorise me and I responded to the connection with 'Hiya Abbi, the lesson that I have learnt over the past 27 years is when dealing with Satan-evil persecutors there should be only one phrase that one should use: on your bike madarchods'.

The landline is ringing again at 18.23 pm from the Satan-evil persecutors.

-----

Landline Phone rang again at 18.44 pm from the Satan evil persecutors.

-----

At 9.50 am the Landline Phone rang on 16 April 2025

At 11.55 am the Landline Phone rang from the persecutors on 16 April 2025

One responded negatively I acknowledged it with a thumbs up. I am not doing yoga but trying to earn a living the hard way. I have just put it on record what I did as within the Ruling of the Supreme Court. It is published.
